remaining provisions of the Agreement shall remain in effect for the term of the Agreement.

ARTICLE 14 - MEDICAL AND HOSPITAL INSURANCE

14.1 Current practices will prevail for the duration of this Agreement, except that any changes in medical or hospital insurance plans, including the premium payable by employees, applicable to the majority of those employed in the Public Service for whom the Treasury Board is the employer will, during the life of this Agreement, be applicable to the employees under this Agreement.

15.1 The Council shall continue to make all reasonable provisions for the occupational safety and health of employees. The Council will welcome suggestions on the subject from the Association and the parties undertake to consult with a view to adopting and expeditiously carrying out reasonable procedures and techniques designed or intended to prevent or reduce the risk of employment injury.

- demotion

- termination

- 16.2 When an employee is required to attend a meeting, the purpose of which is to investigate a disciplinary matter concerning the employee or to render a disciplinary decision concerning the employee, the employee is entitled to have, upon request, a representative of the Association attend the meeting. Where practicable, the employee shall receive a minimum of one (1) day's notice of such a meeting and shall be informed of the reason for it.
- 16.3 When an employee is suspended from duty, demoted or terminated due to a disciplinary infraction, the Council shall notify the employee, in writing, of the reason(s) for the suspension, demotion or termination. The Council shall endeavor to provide this written notification at the time of the suspension, demotion or termination.

employee, within the time limits prescribed in clause 17.9 gives notice to a representative, as designated by the Council in accordance with clause 17.8 that he wishes to take advantage of this clause, it is agreed that the period between the initial discussion and the final response shall not count as elapsed time for the purpose of grievance time limits.

- 43.2 For the purpose of this clause, an experimental aircraft is defined as an aircraft for which Transport Canada has issued a flight permit valid for the purpose of experimental research under the authority of the National Research Council Canada only.

ARTICLE 44 - PAY ADMINISTRATION

- 44.1 Except as provided in this article, and in Appendix "A", the terms and conditions governing the application of pay to employees are not affected by this Agreement.
- 44.2 **Entitlement to Pay**
- 44.2.1 Every employee is entitled to be paid for services rendered within the pay ranges specified in

Appendix "A" for the classification level to which he has been appointed by the Council.

44.2.2 The rates of pay in Appendix "A" shall become effective on the dates specified therein.

44.3 Rates of Pay on Initial Appointment

44.3.1 An employee's rate of pay on initial appointment shall not be less than the minimum nor more than the maximum rate of the range of rates applicable to the classification level to which he is appointed by the Council.

44.3.2 An employee who was appointed above the minimum rate during a period where a pay increment becomes retroactive and who is notified in writing at the time of his letter of appointment that a negotiated retroactive pay increase would not apply to him shall, effective from the date of appointment, have his rate of pay on appointment altered to the rate in the new range of rates for his classification level which is nearest to but not less than the rate at which he was appointed. Changes in the employee's rate of pay which took place during the retroactive period will also be recalculated on the basis set forth in this paragraph.

44.4 Rate of Pay on Promotion

44.4.1 When an employee is appointed by the Council to a higher classification level, he shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in his new scale.

44.4.2 Where an employee who is being paid Acting Pay is promoted to the position for which the employee is receiving Acting Pay, he shall be paid in that position at the rate at which the employee was being paid Acting Pay and his first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he was most recently authorized to receive Acting Pay in that position.

44.5 Coincidences of Effective Date

44.5.1 Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:

44.5.1.1 the employee shall receive his pay increment;

44.5.1.2 his rate of pay shall be revised in accordance with the general salary revision;

44.5.1.3 his rate of pay on appointment shall be established in the new classification level in accordance with the provisions of sub-clause 44.4.1.

44.6 Pay Increments

44.6.1 Except as provided in sub-clauses 44.6.4 and 44.6.5 of clause 44.6 an employee holding an appointment at one of the classification levels listed in Appendix A of this Agreement shall be granted pay increments on completion of the applicable pay increment period until he reaches the maximum rate

in the scale of rates for the classification level to which he is appointed.

- 44.6.2.1 For the purpose of computing periods of service for pay increments a "month" is a calendar month in which an employee receives pay for at least seventy-five (75) hours. Periods of leave without pay in excess of one (1) month in the case of semi-annual increments, and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council or provided for under this agreement.
- 44.6.3 Where an employee is appointed on promotion, demotion or from outside the Council to a position in the bargaining unit specified in Article 1, the pay increment date shall be the first day of the month which is nearest to the anniversary date of the employee's appointment to his classification level. However, for employees in the classification levels in which semi-annual increments may be provided as shown in the Schedule of Pay to this Agreement, the first increment authorized by the Council shall become effective six (6) months from the first day of the month which is nearest to the appointment date of the employee to his classification level and at six (6) month intervals thereafter.
- 44.6.4 The Council may deny a pay increment to an employee if it is satisfied the employee is performing the duties of his position in an unsatisfactory manner. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least

two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.

- 44.6.5 When an employee appointed to one of the classification levels listed in Appendix A of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for subsequent increments in his classification level the employee shall retain the increment date that was applicable to him immediately prior to the denial referred to in sub-clause 44.6.4.

44.7 Payment Following Death of Employee

- 44.7.1 The salary for the full calendar month in which the death of an employee occurs shall be paid to the employee's estate, provided that, the employee has been continuously employed in the Public Service for at least one year immediately prior to the date of his death.

- 44.8 A new employee shall be issued his first pay through direct deposit as soon as practicable.
- 44.9 If an employee signs and submits to the Council an affidavit stating that he has lost or inadvertently mutilated his pay cheque, the Council shall make arrangements with Public Works and Government Services Canada, to issue a duplicate cheque as soon as possible.
- 44.10 An employee shall receive payment by cheque for pay

supplements such as call-back pay, designated holiday pay, and overtime pay, where practicable in the pay period following that in which the pay supplements were earned.

- 44.11.1 Overtime pay which has been paid to an employee during the period covered by the retroactive general salary revisions (all Appendices of this Agreement), will be recomputed and the difference between the amount paid on the old salary scales and the amount payable on the new salary scales will be paid to the employee.
- 44.11.2 If during the life of this Agreement the Council should establish and implement a new classification standard applicable to employees covered by this Agreement, which has the effect of changing the classification structure within any classification standard in use by the Council on the date this Agreement is signed, the Council and the Association shall, before rates of pay are applied to new classification levels resulting from the application of the standard, negotiate new rates of pay if applicable and shall also negotiate rules affecting the pay of employees on their movement to the new classification levels.

ARTICLE 45: TECHNOLOGICAL CHANGE

- 45.01 The parties have agreed that in cases where, as a result of technological change, the services of an employee are no longer required beyond a specified date because of lack of work or the discontinuance of a function, the Work Force Adjustment Policy concluded by the parties will apply. In all other cases, the following clauses will apply:
- 45.02 In this Article "Technological Change" means:
 - (a) the introduction by the Council of equipment or material of a substantially different nature than that previously

or

- (b) a major change in the Council's operation directly related to the introduction of that equipment or material which will result in significant changes in the employment status or working conditions of the employees.

Where technological change is to be implemented, the Council will seek ways and means of minimizing adverse effects on employees which might result from such changes.

Such consultation will include but not necessarily be limited to the following:

- (a) the approximate number, classification and location of employees likely to be affected by the change;

- (b) the effect the change may be expected to have on working conditions or terms and conditions of employment on employees.

45.07 When, as a result of technological change, the Council determines that an employee requires new skills or knowledge in order to perform the duties of his substantive position, the Council will make every reasonable effort to provide the necessary training during the employee's working hours and at no cost to the employee.

ARTICLE 46 - TRAVELLING

46.1 Where an employee is required by the Council to travel on Council business outside his headquarters area as normally defined by the Council, the method of travel shall be determined by the Council and the employee shall be compensated in the following manner:

**MEMORANDUM OF UNDERSTANDING
BETWEEN
NATIONAL RESEARCH COUNCIL CANADA
AND
THE RESEARCH COUNCIL EMPLOYEES' ASSOCIATION
IN RESPECT OF THE
TECHNICAL OFFICER (TO) GROUP**

RE: VACATION LEAVE

Preamble

In an effort to reduce accumulated vacation leave credits, the parties agree that the following clauses will be implemented on a trial basis.

Application

1. Commencing on 1 April 2011 and ending 31 March 2014, the following clauses will be part of this collective agreement:

31.4 Carry-Over Provisions

31.4.1 When in any fiscal year an employee has not been granted all of the vacation leave credited to him, the unused portion of his vacation leave shall be carried over into the following fiscal year to a maximum of two hundred sixty-two decimal five (262.5) hours leave. The 262.5 hours limit may only be exceeded where the Council cancels a previously scheduled period of vacation leave and the employee reschedules the excess for use at a later date or where the employee was unable to schedule or take vacation leave due to operational requirements. Earned and unused vacation leave credits in excess of the 262.5 hours shall be compensated monetarily at the end of the fiscal year at the employee's daily rate of pay as calculated from the employee's substantive position unless the employee has been in an acting position for more than six months on March 31.

- 31.4.2 Notwithstanding paragraph 31.4.1, if on 30 June 2009 or on the date an employee becomes subject to this Agreement after 30 June 2009, an employee has more than two hundred sixty-two decimal five (262.5) hours of unused vacation leave credits, a minimum of seventy five (75) hours per year shall be granted or paid in cash by March 31st of each year, commencing on March 31, 2010 until all vacation leave credits in excess of two hundred sixty-two decimal five (262.5) hours have been liquidated. Payment shall be in one installment per year and shall be at the employee's daily rate of pay as calculated from the employee's substantive position on March 31 of each year.
- 31.4.3 On a date agreed to by the parties following the expiry of this Memorandum of Agreement, the Council shall provide the Association with a detailed summary of annual leave usage, carry-over and drawdown statistics for the TO Group.
