- (c) An employee entitled to a severance payment under sub-paragraph (a) or (b) shall have the same choice of options outlined in 44.16, however the selection of which option must be made within three (3) months of being appointed to the bargaining unit.

ARTICLE 45 - ACTING PAY

- 45.1 When an employee is required by the Council to substantially perform the duties of a higher classification level in an acting capacity and performs those duties for at least one full working day or one full shift, the employee shall be paid acting pay calculated from the date on which he commenced to act as if he had been appointed to that higher classification level for the period in which he acts.

ARTICLE 46 - PAY ADMINISTRATION

46.1 Entitlement to Pay

- 46.1.1 Every employee is entitled to be paid for services rendered at one of the rates of pay specified in Schedules 1 to 3 (Supervisory) and 1 to 6 (Non-supervisory) for the classification level to which he has been appointed by the Council;
- 46.1.2 the rates of pay in Schedules 1 to 3 (Supervisory) and 1 to 6 (Non-supervisory) shall be implemented as indicated therein.

46.2 Rates of Pay on Initial Appointment

- 46.2.1 An employee's rate of pay on initial appointment shall not be less than the minimum nor more than the maximum rate of the range of rates applicable to the classification level in the group to which he is appointed by the Council.
- 46.2.2 An employee who was appointed above the minimum rate during a period where a pay increase becomes retroactive and who is notified in writing at the time of his letter of appointment that a negotiated retroactive pay increase would not apply to him shall, effective from the date of his appointment, have his rate of pay on appointment altered to the rate in the new scale of rates for his classification level which is nearest to but not less than the rate at which he was appointed. Changes in the employee's rate of pay which took place during the retroactive period will also be recalculated on the basis set forth in this paragraph.

46.3 Rate of Pay on Promotion

- 46.3.1 Employees to whom Schedule 1 (Supervisory) of the pay schedules apply shall, on promotion to a higher classification level in the sub-group, be paid at the rate of pay for the higher level.
- 46.3.2 This sub-clause does not apply to employees occupying Apprentice positions to whom Schedule 1 of the Non-supervisory pay scales apply.
- 46.3.2.1 When an employee to whom Schedules 2 to 3 (Supervisory) and 1 to 6 (Non-supervisory) of the pay schedules apply is appointed by the Council to a higher classification level, he shall be paid at the nearest rate in the new classification level which gives the employee a salary increase not less than the minimum increment of the higher classification level to which he is being appointed by the Council. If there is no such rate the employee shall be paid the maximum rate in the new scale.
- 46.3.3 Where an employee who is being paid Acting Pay is promoted to the position for which he is receiving Acting Pay, the employee shall be paid in that position at the rate at which the employee was being paid Acting Pay and the employee's first pay increment in that position shall become due on the date on which it would have become due as if the employee had been promoted to that position on the date on which he was most recently authorized to receive Acting Pay in that position.

46.4 Coincidences of Effective Date

- 46.4.1 Where there is a coincidence of date of appointment by the Council to a higher level in the same group and either a pay increment date or a general salary revision date or both, the employee's rate shall be adjusted in the following sequence as applicable:
- 46.4.1.1 the employee shall receive his pay increment;

- 46.4.1.2 the employee's rate of pay shall be revised in accordance with the general salary revision;
- 46.4.1.3 the employee's rate of pay on appointment shall be established in the new classification level in accordance with the provisions of sub-clauses 46.3.1 and 46.3.2.

46.5 Pay Increments

- 46.5.1 Except as provided in paragraphs 46.5.4 and 46.5.5 of this clause an employee holding an appointment at one of the classification levels listed in Schedules 2 to 3 (Supervisory) and 1 to 6 (Non-supervisory) of this Agreement shall be granted pay increments on completion of the applicable pay increment period until he reaches the maximum rate in the scale of rates for the classification level to which he is appointed.
- 46.5.2 For the purpose of computing periods of service for pay increments a "month" is a calendar month in which an employee receives pay for at least ten (10) days. Periods of leave without pay in excess of one (1) month in the case of semi-annual increments, and in excess of two (2) months in the case of annual increments will defer an authorized increment by the number of months of leave without pay except as otherwise provided in this agreement. An increment shall not be authorized for any employee during a period of leave of absence without pay except where leave without pay for educational or military purposes or election to a full time municipal office has been authorized by the Council.
- 46.5.3 Where an employee is appointed on promotion, demotion or from outside the Council to a position in the bargaining unit specified in Article 1 and the appointment is after the date of signing of this Agreement, the pay increment date shall be the first day of the month which is nearest to the anniversary date of the employee's appointment to his classification level. However, for employees in the classification levels in which semi-annual increments may be provided as shown in the Schedule of Pay to this Agreement, the first increment authorized by the Council shall become effective six (6) months from the first day of the month which is nearest to the appointment date of the employee to his classification level and at six (6) month intervals thereafter.
- 46.5.4 The Council may deny a pay increment to an employee if it is satisfied the employee is performing the duties of his position in an unsatisfactory manner. Where the Council intends to deny a pay increment the Council shall give the employee notice in writing of this decision at least two (2) weeks and not more than six (6) weeks prior to the date the pay increment would otherwise have been effective had it been authorized.
- 46.5.5 When an employee appointed to one of the classification levels listed in Schedules 2 to 3 (Supervisory) and 1 to 6 (Non-supervisory) of this Agreement is not granted a pay increment on the anniversary date on which a pay increment could normally have been authorized for him, a pay increment may be deferred by the Council to the first day of any month following the month from which the pay increment was deferred, and for

subsequent increments in his classification level the employee shall retain the increment date that was applicable to him immediately prior to the denial referred to in sub-clause 46.5.4.

46.6 Payment Following Death of Employee

- 46.6.1 When an employee dies the Council shall pay to the estate of that employee the amount of pay he would have received but for his death for the period from the date of his death to the end of the month in which his death occurred, provided that the employee has been continuously employed in the Public Service for one year.
- 46.6.2 Any previous overpayment of salary to the deceased employee or any debt owing by him to the Council may be recovered from this payment.
- 46.7 A new employee shall be issued his first pay through direct deposit as soon as practical.
- 46.8 If an employee signs and submits to the Council an affidavit stating that he has lost or inadvertently mutilated his pay cheque, the Council shall make arrangements with Public Works and Government Services Canada, to issue a duplicate cheque as soon as possible.
- 46.9 An employee shall receive payments by cheque for pay supplements such as call-back pay, designated holiday pay, and overtime pay, where practicable in the pay period following that in which the pay supplements are earned.
- 46.10 Overtime pay which has been paid to an employee during the period covered by the retroactive general salary revisions (All schedules in this Agreement), and will be recomputed and the difference between the amount paid on the old salary scales and the amount payable on the new salary scales will be paid to the employee.
- 46.11 If during the life of this Agreement the Council should establish and implement a new classification standard applicable to employees covered by this Agreement, the Council and the Association shall, before rates of pay are applied to new classification levels resulting from the application of the standard, negotiate new rates of pay if applicable and shall also negotiate rules affecting the pay of employees on their movement to the new classification levels.

ARTICLE 47 – TRADE CERTIFICATION FEES

- 47.1 The Council shall reimburse an employee for the payment of registration, licensing or certification fees to an organization, governing body or government agency when the payment of such fees is a requirement for the continuation of the performance of the duties of the employee's position.
- 47.2 Membership fees referred to in Article 7, Check-Off of this Agreement are specifically excluded as reimbursable fees under this Article.

ARTICLE 48 – DANGEROUS GOODS

- 48.1 An employee certified pursuant to the *Transportation of Dangerous Goods Act* and who is assigned the responsibility for packaging and labeling of Dangerous Goods for shipping in accordance with the above Act, shall receive a monthly allowance of seventy-five dollars (\$75.00) for each month where the employee maintains such certification.

- 49.03 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Council's operations. Where technological change is to be implemented, the Council will seek ways and means of minimizing adverse effects on employees which might result from such changes.

- 49.04 The Council agrees to provide as much advance written notice as is practicable but, except in cases of emergency, not less than one hundred and twenty (120) days to the Association of the introduction or implementation of technological change.

- 49.06 As soon as reasonably practicable after notice is given under clause 49.04, the Council shall consult meaningfully with the Association concerning the effects of the technological change referred to in clause 49.04 on each group of employees. Such consultation will include but not necessarily be limited to the following:

- (a) the approximate number, classification and location of employees likely to be affected by the change;
- (b) the effect the change may be expected to have on working conditions or terms and conditions of employment on employees.

49.07 When, as a result of technological change, the Council determines that an employee requires new skills or knowledge in order to perform the duties of his substantive position, the Council will make every reasonable effort to provide the necessary training during the employee's working hours and at no cost to the employee.

52.2 Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.

52.3 If by reason of paragraph 52.2 a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.
